4th INTERNATIONAL ANZONA CONFERENCE hosted by the Australia New Zealand Orthopaedic Nurses Association brings together clinicians from around Australia, New Zealand and beyond, who are committed to achieving excellence and promoting the highest standards in orthopaedic practice.

The 4th International Conference – ‘You Break It – We Fix It!’ will be a unique opportunity for over 200 clinicians, managers, nurses and students from a number of disciplines to come together to discuss and debate contemporary advances and future trends in orthopaedic, trauma and sports injury management and care. Through its varied and interesting program, the conference aims to celebrate the diverse roles undertaken by orthopaedic clinicians.

	Conference Themes
“Discuss and debate contemporary advances and future trends”	<ul style="list-style-type: none">✓ To provide an opportunity to discuss and debate contemporary advances & future trends in clinical care✓ To promote professional excellence through sharing examples of clinical innovation✓ To facilitate discussion on advanced practice / extended clinical roles✓ To expand knowledge through the dissemination of research & education✓ To consider evidence based / outcome focussed approaches to the delivery of quality care✓ To review collaborative care approaches

REGISTER AT www.sapro.com.au/ANZONA.htm AND TAKE ADVANTAGE OF THE EARLYBIRD DISCOUNT BY VISITING BEFORE 31st July 2009.

NETWORK INTERACT & CATCH UP ANZONA understands the need to network with colleagues, partners, suppliers and clients so in addition to extending and updating your knowledge ‘You Break It – We Fix It!’ Adelaide 2009 offers wonderful opportunities to interact with fellow delegates throughout the conference, culminating in the Conference dinner which will take place overlooking the sea at the Stamford Grand, Glenelg.

CONFERENCE PROGRAM

The conference opens for registration and welcome drinks on Wednesday 21 October and runs until Friday 23 October. All events take place at the Stamford Grand Glenelg. The conference dinner takes place on Thursday evening. A full program is available at www.sapro.com.au/ANZONA.htm.

Alison Kitson RN, BSc(Hons), DPhil, FRCN

Professor and Head of Discipline of Nursing, University of Adelaide Supernumerary Fellow, Green Templeton College, University of Oxford Alison Kitson took up the post of Professor of Nursing and Head of Discipline at the University of Adelaide at the beginning of 2009. Prior to this she was the Royal Adelaide Hospital Nursing Education Fund Inaugural Fellow and has worked closely with interdisciplinary teams around improving the fundamentals of care for older people going through the acute hospital setting. She has a long career in nursing and her research interests include getting evidence and innovations into everyday practice. Effective leadership is a key part of this. She holds many honorary positions internationally and has published extensively on the subject of implementing evidence into practice. She has also held several executive roles, most recently Executive Director of Nursing at the Royal College of Nursing in the UK. Her links with Green Templeton College span almost two decades, where she was the first Junior Research Fellow in Nursing to be appointed to the College.

Dr. Justin Porter B.Sc, BM.BS, FANZCA

Dr Porter is a Staff Specialist Anaesthetist at the Royal Adelaide Hospital where he is responsible for the teaching and audit of the Regional Anaesthesia program. He is also in private practice with Specialist Anaesthetic Services where his focus is on Joint Replacement and Orthopaedic Trauma Surgery. He is a regular teacher at Ultrasound and Regional Anaesthesia conferences and workshops.

INVITED SPEAKERS

Associate Professor Tony Pohl is the Director of Orthopaedic Trauma at Royal Adelaide Hospital and is an Associate Professor in the Department of Orthopaedics and Trauma, University of Adelaide.

Having completed his basic medical degree at the University of the Witwatersrand, in Johannesburg, South Africa, Associate Prof Pohl immigrated to Australia 30 years ago. He completed the Advanced Orthopaedic training program in Adelaide in 1987, before taking a full time position at Royal Adelaide Hospital and was awarded his Doctorate of Medicine at the University of Adelaide in 1991.

He has a major interest in pelvic and acetabular fractures, fracture healing and external fixation of fractures, an active involvement in instrument design and technology and an avid interest in teaching. On nine occasions since 1990 Associate Professor Pohl has been the recipient of the Mark Bonnin Prize, (voted best clinical teacher, Adelaide University Medical Faculty).

Nicola Kildea

Nicola is a Clinical Nurse, Operating Room Service at the Royal Adelaide Hospital. She is also Chairperson AO ORP Trauma courses, Member Alumni Executive committee AO Group and ORP Faculty member.
